

Appendix B: Draft Parent Permission for Digital Badges

For parents of children under the age of 13

I give permission for Aurora Public Schools (APS) staff and/or volunteers to enroll my child in the digital badge project sponsored by APS. Badges will be issued to her/him through the Credly website. The Credly website will display my child's name, as well as the badges she/he earns through APS. If my child earns a digital badge with APS, she/he will be notified. I will be able to retrieve the badge through the Parent Portal or directly through the Credly website by utilizing my student's District issued e-mail account and student ID.

Staff and volunteers with APS and other children involved in the badge project will be able to see my child's name and the badges she/he earned. My contact information or that of my child's, will not be shared with anyone else, nor used for commercial purposes.

I have the option of having my child opt out of this digital badge program by checking this box.

Appendix B: Draft Parent Permission for Digital Badges

For parents of children ages 13 and older

I give permission for Aurora Public Schools (APS) staff and/or volunteers to enroll my child in the digital badge project sponsored by APS, and to issue badges to her/him through the Credly website. To issue digital badges, staff at APS will access my child's name and email address, as well as information about her/his activities in the digital badging program.

As part of this program my child will be given a password for the website. His/her guardian will also be given the website address and password. Using the password, my child will be able to retrieve the badge by logging into the Credly website using their email address. The Credly website will display my child's name, as well as the badges she/he earned through APS.

Staff and volunteers with APS and other children involved in the badge project may be able to see my child's name and the badges she/he earned on the Credly website. My child's contact information will not be shared with anyone else, nor used for commercial purposes.

My child may choose to post his/her badges on public sites such as Twitter, Facebook, Google+, and Wordpress. Posting badges on these public sites is not required to participate in the APS badge project.

I have the option of having my child opt out of this digital badge program by checking this box.
